It is so difficult for me to guess, but could you please come to court at 11:30? If i finish with Det. Gervasi's testimony earlier than your arrival, I will call a quick witness next. My colleague Beth will be helping me with witnesses. Please ask for her when you arrive. Ok?

Update...he judge stated that we will be stopping the trial at 1 p.m. every day. I still must see how far I get with Gervasi after we pick the jury. There is still a chance that I will need you first thing Tuesday morning. Is this possible?? Please reply all because I must return to the courtroom.

Dearest Della:

I am waiting to be called into the court room for jury selection. I expect that Det. Gervasi will begin his testimony today and finish tomorrow. If that is the case, I will need you in court tomorrow (Tuesday). I can get back to you with a time as soon as the trial is up and running. Lynne Cipullo and/or Beth Avola are my colleagues who might contact you in the event that I am stuck in the court room. Any chance you have a cell phone number in the event that we have difficulty in tracking you down? As you know, mine is [REDACTED]

I'll be sure to keep you posted ASAP!

Thank you,
Debi Payton

Della and Jim:

Please answer me ASAP!!!! The judge held my trial day to day. It NOW appears that my trial will begin on Monday August 27, 2012 with jury selection. PLEASE let me know if you will be available August 29th or August 30 or August 31 in addition to August 27 and 28. If you are 100% unavailable on or after August 29, I will try and get to you on the 28th. The judge is making my trial follow a trial that MIGHT end on this Thursday August 23. I would have to wait until Monday to pick the jury.

The judge is really screwin with my schedule. Please let me know!!!

Sincerely,
A little stressed, PAYTON!!

Darlings:

It appears there MIGHT be a scheduling conflict for [REDACTED] which is scheduled to begin Monday July 9, 2012. ADA Finigan was supposed to begin a Quincy PD drug case trial today. His trial was bumped to begin on MONDAY JULY 9, 2012 (our trial date). The clerk first told me that we [REDACTED] trial) would immediately follow the Quincy trial. I called our main witness (Det. Gervasi) who informed me that he is out the week of July 14, 2012. I know that star witness Chemist Saunders returns on July 14, 2012. I am out July 19 and July 20.

Could you please let me know any known summer vacation schedules for July, August and September in the event that I must reschedule. I am reporting to the court on Monday July 2, 2012 with vacation problems presented for the week of July 14, 2012 and was asked by the COURT to inquire about vacations so that we can come up with a true trial date.

Please call me with any questions at [REDACTED] !

Thank you,
Debi Payton
